Eugene,

I'm really glad that I got to know you this year. Mr. Silva's class was fun. You were really smart in that class. I think that you are a really nice person. I like it when a person goes out of their way to say hello. My friends that I have from school mean a lot to me. I'm glad that you're one of them.

I'm glad that you never got ahold of any scissors this year, or I wouldn't have my long hair any more. Right? Well I hope that your remaining years here are packed full of fun, friends and pretty girls.

Cherish the Memories

The 1975 Homecoming dance was very successful this year. Over 150 couples attended with a good part being returning graduates of 1975. The sounds of the evening were provided by "Infinity". As the theme "Cherish the Memories" suggests the whole evening was very memorable.

Stag Dances

"Let's go to the Hop."
Surprisingly enough everyone
did go. The Stag Dances this
year will long be remembered
as the best. They were
successful both for the
sponsoring group and the
dancers.

“A Thurber’s Carnival”

Audiences were quite pleased after viewing this year's fall production put on by the Drama Department. "A Thurbers Carnival" was a dramatization of James Thurber's short stories. The scenes dealt with human nature and poked fun at society. Thanks to the direction of Dave Goldman and a good cast, the play was a success.

The Fantastiks

The fall play for this year fit the title appropriately; ... it was "fantastic". The story line centered around the romance of a boy and girl who were neighbors and the feud between their fathers. The play was enhanced by the beautiful songs and the excellent acting jobs of Vince Kolb, the narrator, Bettina Bond, the girl, and Don Batchelor as the boy. The play was much enjoyed and everyone involved with the production should be commended.

Guys and Dolls

"Guys and Dolls" was the first musical of its kind at F.U.H. S.! It is the first production in which a teacher actually had a role. The unique characterization of Big Jule was portrayed by teacher, Mike Gears. Both audiences had a lot of fun witnessing the acting talent of Mr. Gears in an exciting plot complemented by an excellent cast. The production was directed by Charles Peters, and The musical director was Mr. Lowder. All dancing was choreographed by Arlene Hiss, who was assisted by Mary Sutton Hallmann.

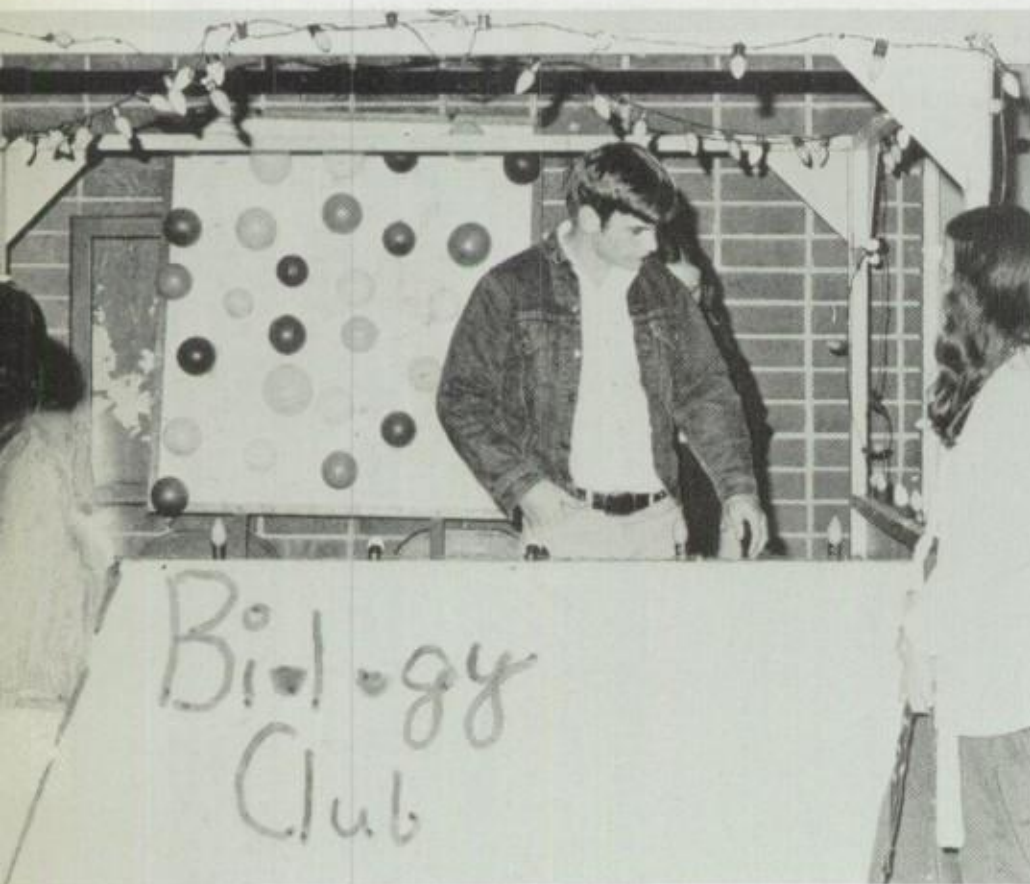

Images of Time

The dance concert this year was very exciting as it contained two modern dances performed by the whole company. The concert offered a variety of dances from a very mystifying jazz dance to a modern dance saluting the Bicentennial.

Pow Wow Carnival

An old tradition of Fullerton High School was restored this year in the returning of the Pow Wow Carnival. Many clubs participated in this event. The fun of the night ranged from singing, a jail, and a pie throwing booth. I.C.C. sponsored this event that proved to be a great success.

Miss D. Earnest

Pow Wow Festivities were celebrated with the traditional nomination of the court. Miss Julie Cook was crowned Queen by Pow Wow King Mike Hornick at halftime, during the basketball game against Sunny Hills. The couple reigned over the formal dance the following evening. This year's theme was "Scarborough Fair."

Go Big Red!

"Go Big Red" proved to be an informative as well as an entertaining presentation in the Boys Gym. Students and parents gathered on Wednesday evening to see displays of judo skills, dancing talent, dramatic ability, and student speakers. The purpose of the presentations was to make parents aware of the activities in which students here at F.U.H.S. invest their time.

Student Government Day

Tradition was once again reenacted when members of Student Government organized "a Student Government day". Elected student officers sat in decorated booths depicting their specific jobs. The entire A.S.B. was invited to visit the booths and ask any questions they might have concerning Student Government. The officers hope that the exhibit helped to satisfy the many curiosities and questions as well as to arouse students' interest in Governmental participation.

THE ARTS

"There are moments in our lives, there are moments in a day, when we seem to see beyond the usual. Such are the moments of our greatest wisdom. If one could but recall his vision by some sort of sign. It was in this hope that the arts were invented. Sign-posts on the way to what may be. Sign-posts toward greater knowledge."

Robert Henri

Such signs were captured by some of our own high school students. We'd like to dedicate these pages for doing it so well.

Indians really went on the warpath during the 1976 basketball freeway league season. As a result of much drilling and hard practice, the team was able to display outstanding performances of skill, excitement and victory during competition. Our team climbed the ladder of success with only one loss and thirteen wins. This fine record left FUHS ranking first in league and made us eligible for further competition in C.I.F.

CIF

Basketball

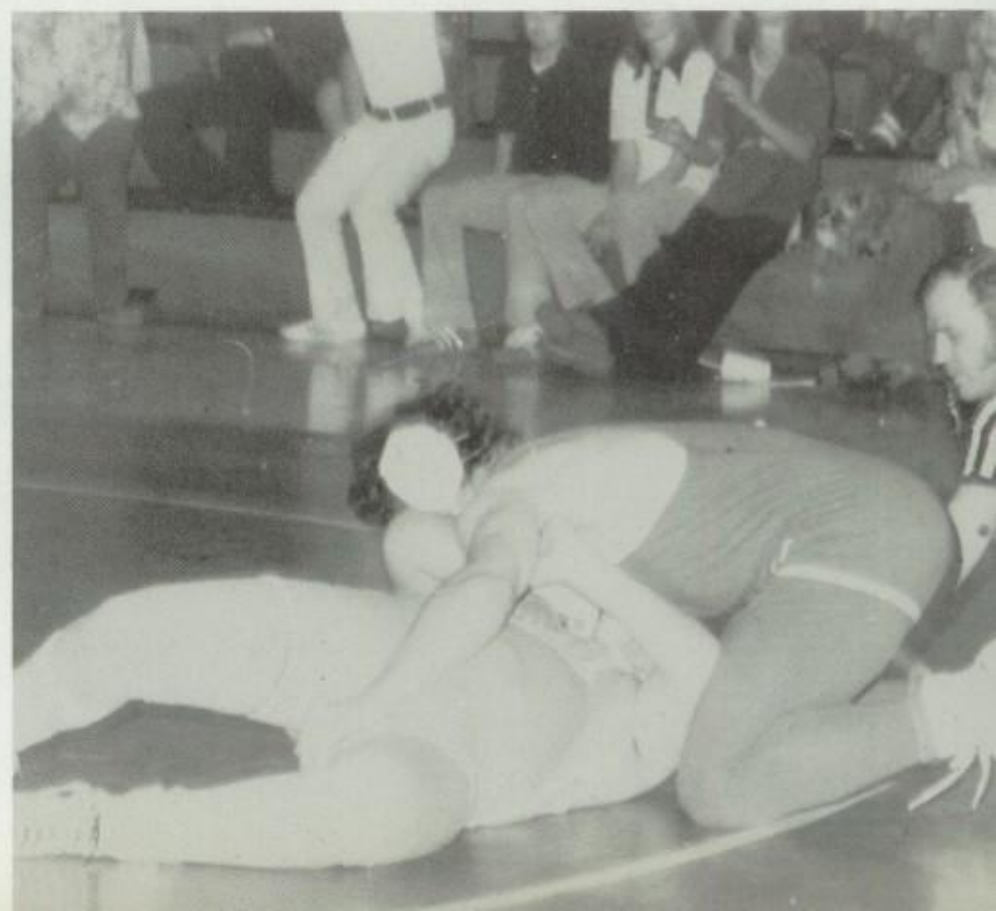

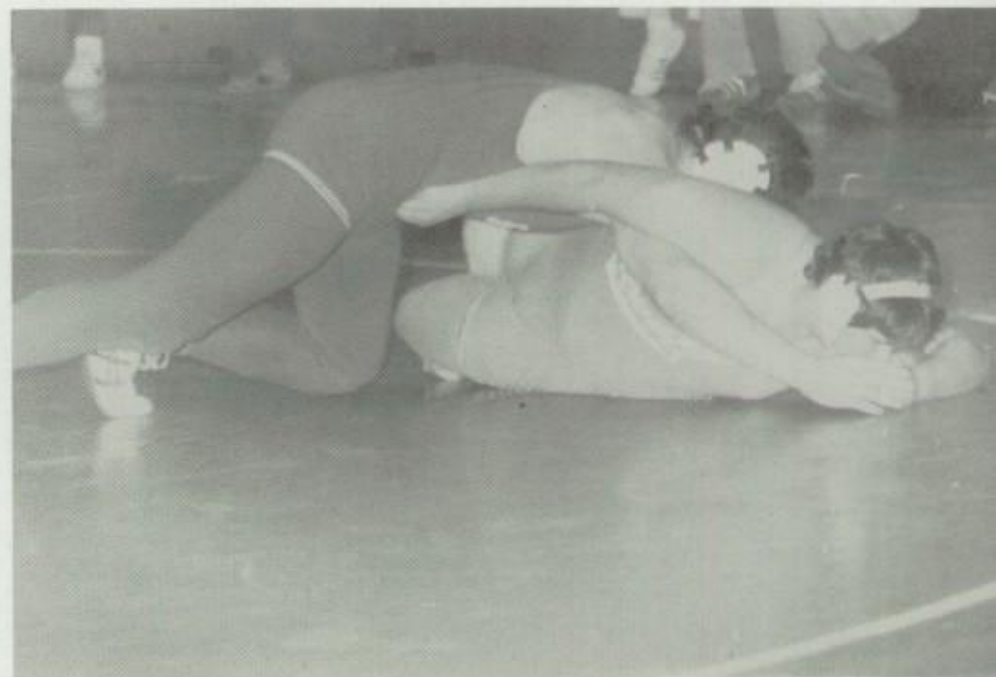

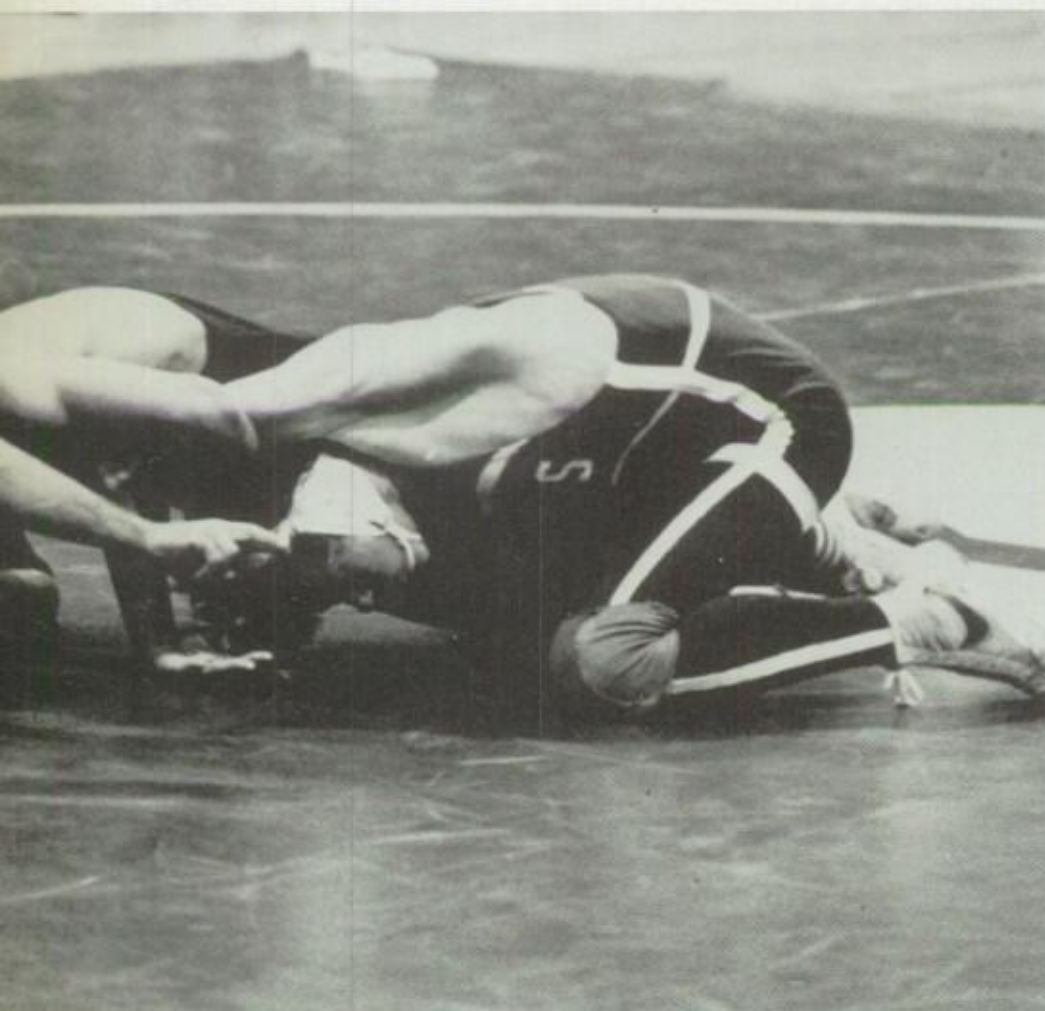

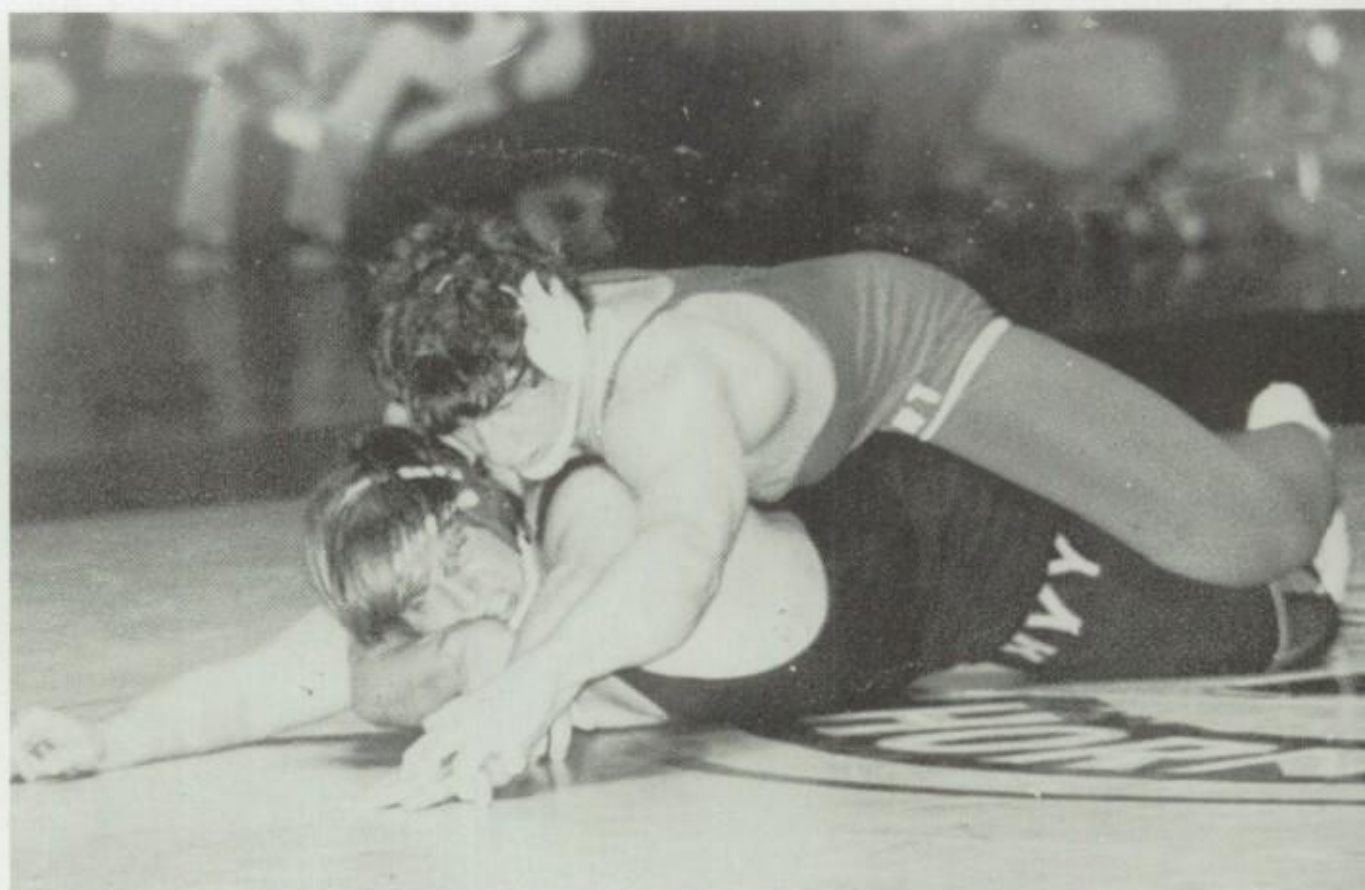

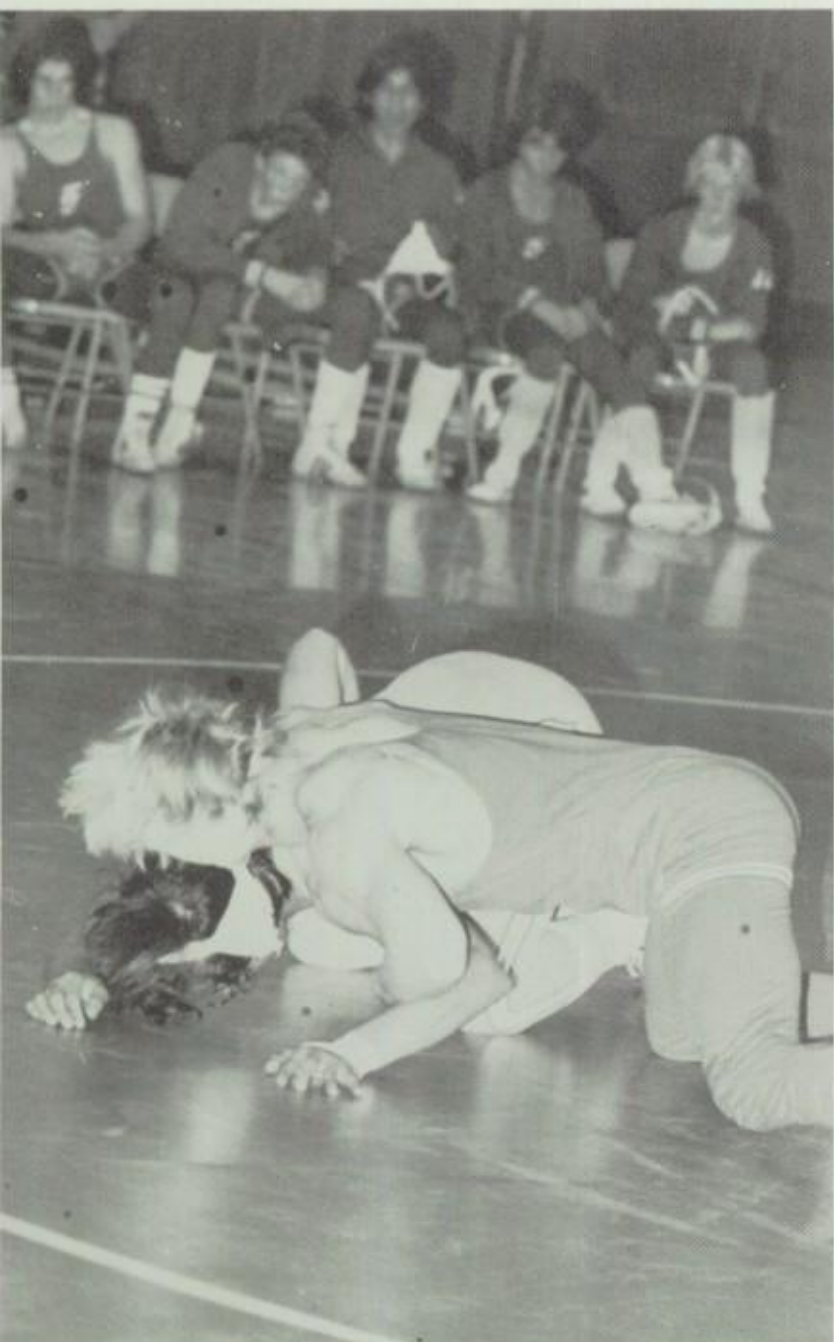

The Varsity Basketball team advanced to the C.I.F. Semi-Finals which is the farthest any FUHS team has gone since 1959. Coach Van Voorhis contributes going as far as they did to the fact that the players worked well together and that there was tremendous team unity. The scores for the C.I.F. games were FUHS 85 Ganesha 52. FUHS 58 Mt. Carmel 46. FUHS 63 Warren 58. The team suffered its final loss to Palm Springs in overtime with the score Palm Springs 60 FUHS 51.

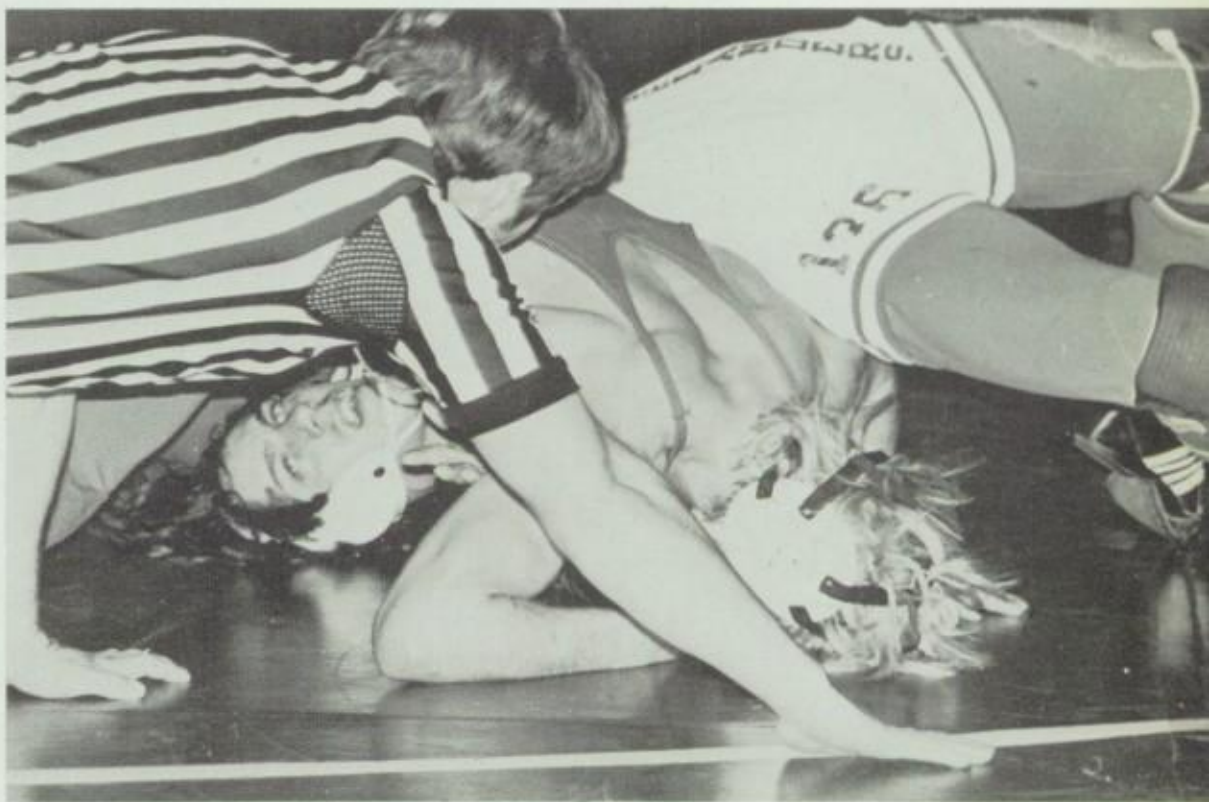

CIF Wrestling

Wrestling was successful in wrapping up the season with an undefeated record. Members of the team who made first round C.I.F. were Mike Shepherd, Ruben Melendez, Roger Schultz, Rick Hipp, and Gary Boland. Neal Bogart placed sixth in his weight class during the Southern Section C.I.F. Finals. Heavyweight Matt Clark won first place in Southern Section C.I.F. Finals and advanced into State Competition.

The F.U.H.S. soccer team wrapped up with a terrific season. Our boys encountered many other top level teams in C.I.F. and came out victorious in competition. Our free-lance players also gained a reputation for being a "tough team," which was the team's top objective.

Squaw Power!

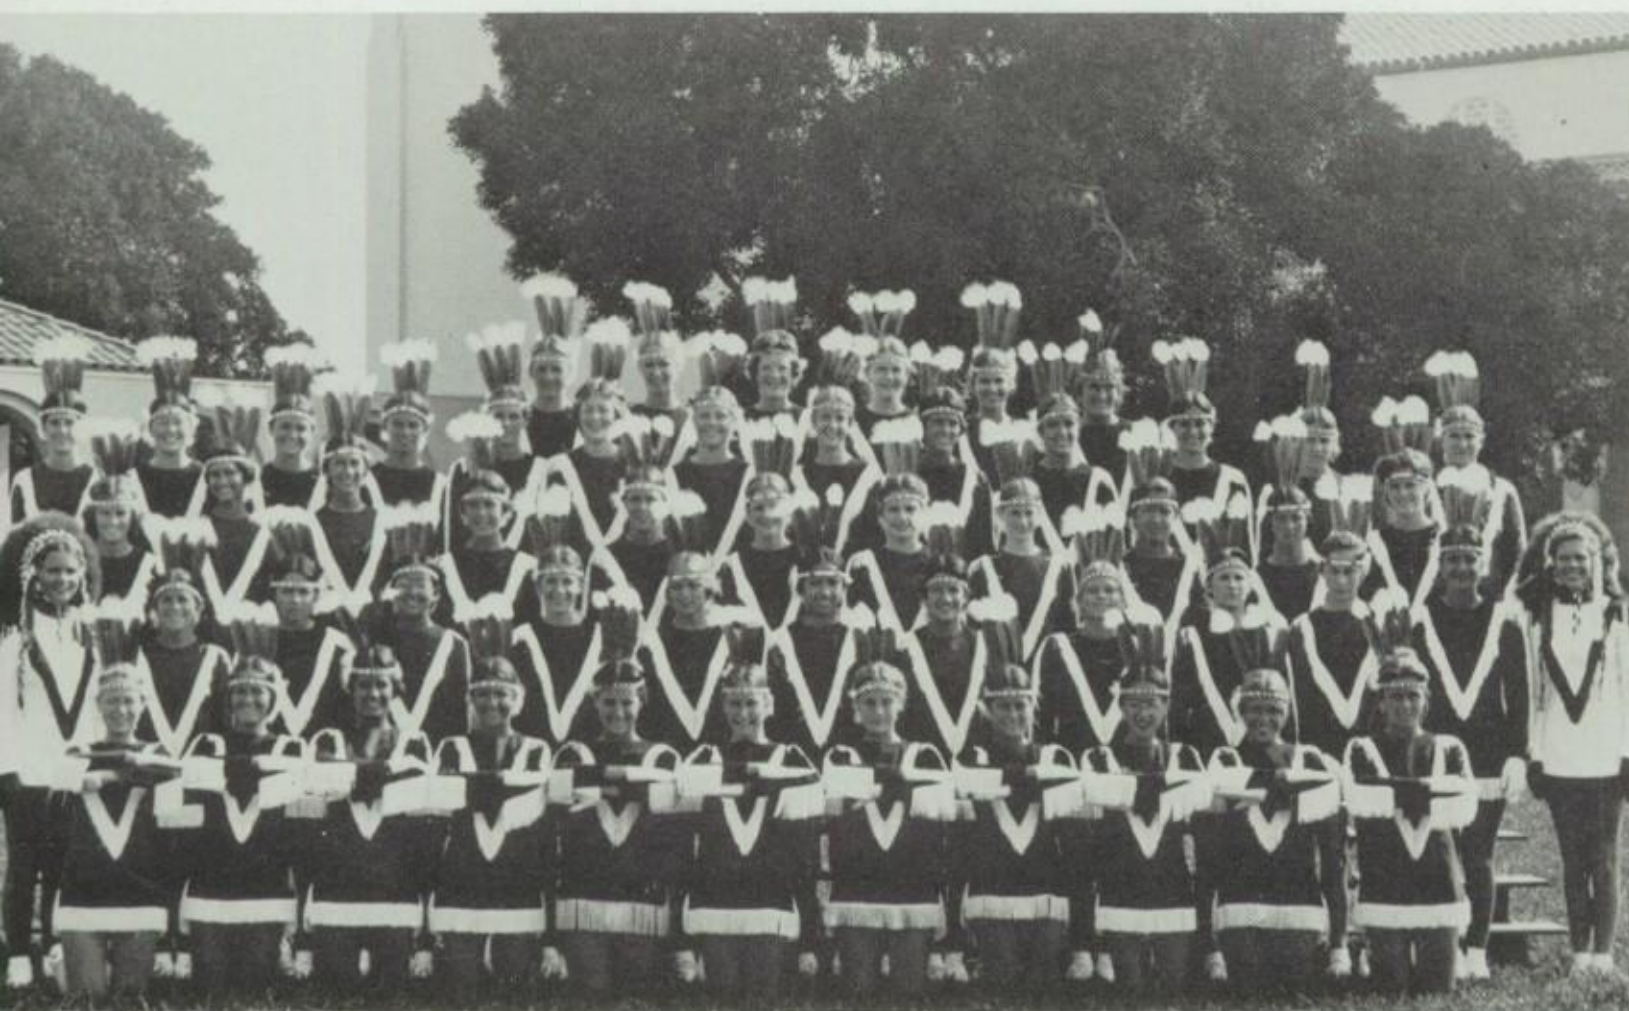

Betsy Lanman

"Drill Team March!" This can be heard at the early morning practices of the 1975-76 Featherettes, as they strive for perfection in their routines. In addition to pep rallies and halftimes, the Featherettes show their spirit, as Jennie O'Hern and Kristy Coughlin lead them in parades and competitions. They work hard under the guidance of Miss Betsy Lanman. The Featherettes uphold the Indian tradition of school spirit, enthusiasm, and good will.

FFA- A FUTURE FOR AMERICA

When tillage begins,
other arts follow.
The farmers therefore are
the founders of human
civilization.

Daniel Webster

This year the members of Fullerton's FFA are striving for their future in America. They feel that young people in agriculture are the leaders of tomorrow.

Fullerton's members are setting high goals this year as a club and as individuals. FFA- A Future for America, the future is now and we are a growing part of it.

Learning Community

The Learning Community begins with the concept of "student centered" education, offering students the opportunity to be involved in planning their own education. Recognizing individual differences and needs, the structure of the Learning Community enables the student and teacher to plan a program of studies and experience that allow the individual to develop in a way that is best for him.

The More the Merrier

As shown by the large membership, Biology Club is an active group on the F.U.H.S. campus. Through this club, students are invited to learn more about the biological sciences in not quite such a studious atmosphere as ordinary classroom biology. Each year, the club is involved in some sort of project. This year's project was to raise enough money so the biology classroom would be provided with a model of a skeleton, used for learning techniques. Different activities of the Biology Club include potluck dinners, parties, and of course, the annual Christmas Party!

Ex-Officio; Handy Helpers

Betsy Bloom-Productions Chairperson

Michele Haubien-Head Yell

Executive Board's right hand has been known to be The Ex-Officio members. These six people have worked hard to have the successful year that we have had.

What would we have done without Mary Hallmann, who has planned all the fantastic dances including some of the stag dances. How would we have known about dances and all the rest of the activities without Lisa Kamp who spends many hours making all our publicity signs.

All the assemblies that we have had this year have been great. Betsy Bloom has been behind everyone of them making sure everything went as planned. But some of the assemblies wouldn't have been very spirited if our head Song & Yell leaders Michele and Stacy along with the rest of their squad wouldn't have been there.

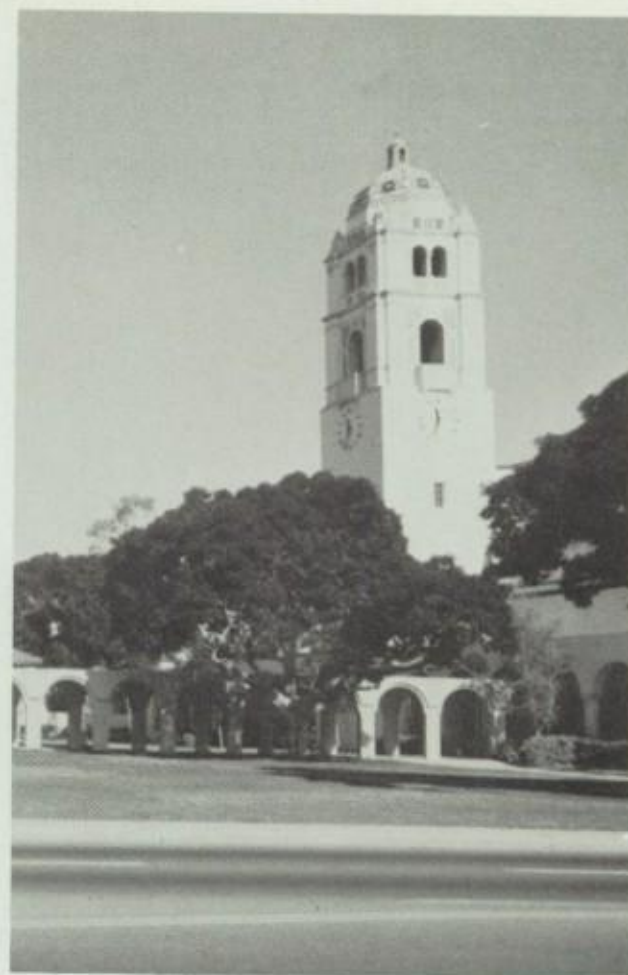

But without Al Rosell we wouldn't have known who the cheerleaders would have been or any of the ASB officers, for he's the one who ran all the Elections.

Senate Joins Issue

Student Senate, the communicative branch of student government, serves as a forum where ideas are discussed, suggestions are made, and gripes are aired. Student Senate was very successful this year. Everything from getting a mirror in the boy's bathroom to Senior Class parking to racial discrimination was brought up in Senate.

Four years at F.U.H.S. have finally come to an end. All the good times will be remembered and the experiences treasured, but high school remains only a small part of life. There are so many things to learn in life, so many things to do and so many doors to open.

Believe in yourself and in everything you do, but most of all be yourself. You'll be a much happier and better person for it. If some person or something hinders your way of life remember that personal success and happiness lies in your hands. You must find happiness within yourself before you can enjoy and share it with others. Upon finishing this letter raise up your eyebrows and turn up the corners of your mouth and go full speed ahead.

the finest things in life are
those you neither sell nor
buy, a bursting bud - a
bird that sings, a glowing
western sky; and friends
to love, these are, indeed,
well worth their weight in
gold, and you may know
the joys which you will
forever behold.

Eugene,
 Hi! I can't really say
 it was fun in algebra-
 you know what I mean,
 but maybe will be in
 a better class together next
 year. Have a nice
 summer. Take care,
 Shelley

In Memoriam Jim Luong . . .

"Among the hills, when you sit in the cool shade of the white poplars, sharing the peace and serenity of distant fields and meadows—then let your heart say in silence, God rests in reason."

Kahlil Gibran

The Annual Staff this year underwent a number of hardships and there is no way I could begin to explain what has taken place throughout the year to make it possible for this annual to be published. There was so much arranging and re-arranging this year that I am still confused. The staff has tried to capture the essence of what this school is to the entire student body and faculty. I hope everyone will be happy with it. I feel we have captured it beyond all belief.
My Sincere Thanks to-

—Mr. DeVito, for his incredible dedication, patience and time. He was always there when I felt lost. He meant so much to the staff. (We're sorry about your third ulcer).

—Susan Wright, for being the best financial businesswoman, counselor, and friend. Without her all my work couldn't be what it is.

—Ron Lasyone, for his fantastic help in getting our color pictures to us so fast and all his help with the photography.

—Nancy, for all her help with annual sales and practically everything else.

—Photographers, the book wouldn't have been possible without all of you.

—Each and Every staff member, I hope this year will always be remembered with fond memories. Full of deadlines, no pictures and copy. My love to all of you for your patience and dedication that produced this annual.

—the FUHS Student Body, for being the center of our interest and for giving me something to remember always.
